GRANITE DISPLAY REQUIREMENTS

Granite Exhibitors must provide specs of each unit and a layout of how their booth is to be setup.

All monuments must be approved by the convention committee prior to the show.

All granite pieces must be crated per our specs. NO PALLETIZED granite will be accepted.

Companies whose crating does not meet our requirements will be fined.

Ship materials via Bellavance Trucking (Barre, VT), or Anthony M. Mills Jr. Trucking (Elberton, GA) NO common carrier deliveries to the Hotel will be allowed.

Regardless of number of booths, each exhibitor is allowed to bring one monument that is sized:

- Die: 4'-0" x 0'-8" x 2'-4"
- Base: 5'-0" x 1'-2" x 0'-8"

Acceptable sizes are as follows:

- Dies up to 2' 4" (3' max height)
- Dies 2' 6" to 3' 0" (2' 10" max height)
- Dies 3' 2" to 3' 6" (2' 6" max height)
- Maximum height for 6" dies is 2-0
- 8" max base height, 1' 2" max width
- NO 10" bases allowed

- NO 10" dies allowed
- NO sub bases allowed
- Statues up to 5' (Please consider stability, as they will be set up on carpet)
- Cremation units, Benches, Statues and non standard monuments are subject to approval of the Exhibit Committee.
